Test Proof: Bug #1776 Fix

Date: 2026-01-06 **Pass/Fail:** PASS **Bug ID:** #1776 **Epic:** User Registration & Authentication **Description:** Forgot Password page does not reload correctly after navigation (State persists).

Test Environment

- **Frontend:** Next.js (Port 3000)

Test Case 1: Modal State Reset

Description

Verify that the "Forgot Password" modal resets its state (clears input and errors) when closed and re-opened.

Steps

1. The user navigated to the Login page (/login).
2. Click "Forgot Password?".
3. Enter an unregistered email to trigger an error.
4. Close the modal.
5. Click "Forgot Password?" again.

Expected Result

The modal should open with a clean state (empty email field, no error message).

Actual Result

The modal opened with a clean state.

Evidence

Before Fix (Bug Reproduced - Stuck State):

After Fix (Clean State):
