Date: 2026-01-06 **Pass/Fail:** PASS **Bug ID:** #1782 **Epic:** User Registration & Authentication **Description:** Privacy Policy page missing.

Test Environment

- **Frontend:** Next.js (Port 3000)

Test Case 1: Page Existence & Content

Description

Verify that the Privacy Policy page exists at /privacy and displays the correct content.

Steps

1. The user navigated to /privacy.
2. Check for page load success.
3. Verify title "Privacy Policy".
4. Verify standard policy sections.

Expected Result

Page loads with correct title and content.

Actual Result

Page loaded successfully with the correct title and content sections.

Evidence

Privacy Page Verified
